

Client: Example Client ABC123
123 Test Drive
Salt Lake City, UT 84108
UNITED STATES

Physician: Doctor, Example

Patient: Patient, Example

DOB: 12/28/1990
Gender: Male
Patient Identifiers: 01234567890ABCD, 012345
Visit Number (FIN): 01234567890ABCD
Collection Date: 00/00/0000 00:00

Amphetamines, Serum or Plasma, Quantitative

ARUP test code 2010066

Amphetamine, S/P, Quant 102 ng/mL

This test was performed at the client's request with a specimen that is believed to have been collected post-mortem. Drug concentrations obtained with this specimen may not accurately reflect the concentrations preceding death. Results are for medical and clinical purposes and are not intended for forensic purposes.

Consistent with use of a drug containing amphetamine. May also reflect metabolism of methamphetamine, when methamphetamine is present. Amphetamine and methamphetamine exist in d- and l-isomeric forms. These forms are not distinguished by this test. Isomeric separation is available separately for an additional charge.

INTERPRETIVE INFORMATION: Amphetamines, Serum or Plasma, Quantitative

Methodology: Quantitative Liquid Chromatography-Tandem Mass Spectrometry

Positive cutoff: 20 ng/mL

For medical purposes only; not valid for forensic use.

The absence of expected drug(s) and/or drug metabolite(s) may indicate non-compliance, inappropriate timing of specimen collection relative to drug administration, poor drug absorption, or limitations of testing. The concentration value must be greater than or equal to the cutoff to be reported as positive. Interpretive questions should be directed to the laboratory.

This test was developed and its performance characteristics determined by ARUP Laboratories. It has not been cleared or approved by the US Food and Drug Administration. This test was performed in a CLIA certified laboratory and is intended for clinical purposes.

Methamphetamine, S/P, Quant <20 ng/mL

MDA, S/P, Quant <20 ng/mL

MDMA, S/P, Quant <20 ng/mL

MDEA, S/P, Quant <20 ng/mL

H=High, L=Low, *=Abnormal, C=Critical
