In our commitment to continuously improve laboratory testing and patient care, ARUP is streamlining our Genomics Laboratory. This has allowed for a more efficient way to perform NGS testing. As a result, we have reduced turnaround time and are lowering prices on our germline NGS tests. We will keep our clients informed of new and exciting changes as we continue to make updates to this lab.

To find out if this price change affects you, please contact ARUP Client Services (800) 522-2787 and refer to the keywords: **NGS Update Nov 2018**
