

THIS IS NOT A TEST REQUEST FORM. Please complete and submit with the test request form or electronic packing list.

CLINICAL INFORMATION FOR IMMUNODERMATOLOGY (SERUM TESTING)

Patient identifier (or Master Label): _____ Specimen collection date: _____

Presumptive diagnosis/reason for testing: _____

Initial diagnosis Monitoring

Alternate/additional disease consideration: _____

Name of clinical contact (to discuss atypical or clinically relevant test findings): _____

Clinical contact phone number: _____

Additional clinical information that may be helpful in interpreting results (not required): _____

Check the ordered test(s):

PANELS WITH COMPONENT TESTS LISTED

(Most useful for initial diagnosis and changing disease presentations; clinical information contributory)

3001409 Immunobullous Disease Antibody Panel

- Basement Membrane Zone (Epithelial) Antibodies, IgG by IIF
- Basement Membrane Zone (Epithelial) Antibodies, IgA by IIF
- Cell Surface (Epithelial) Antibodies, IgG by IIF
- Pemphigus Antibodies, IgA by IIF
- Bullous Pemphigoid (BP180 and BP230) Antibodies, IgG by ELISA
- Desmoglein 1 and Desmoglein 3 (Pemphigus) Antibodies, IgG by ELISA
- Collagen Type VII Antibody, IgG by ELISA

3001410 Basement Membrane Zone Antibody Panel

- Basement Membrane Zone (Epithelial) Antibodies, IgG by IIF
- Basement Membrane Zone (Epithelial) Antibodies, IgA by IIF
- Bullous Pemphigoid (BP180 and BP230) Antibodies, IgG by ELISA
- Collagen Type VII Antibody, IgG by ELISA

0092001 Pemphigoid Antibody Panel

- Basement Membrane Zone (Epithelial) Antibodies, IgG by IIF
- Basement Membrane Zone (Epithelial) Antibodies, IgA by IIF
- Bullous Pemphigoid (BP180 and BP230) Antibodies, IgG by ELISA

0090650 Pemphigus Antibody Panel, IgG

- Cell Surface (Epithelial) Antibodies, IgG by IIF
- Desmoglein 1 and Desmoglein 3 (Pemphigus) Antibodies, IgG by ELISA

0090299 Basement Membrane Zone and Cell Surface (Epithelial) Antibodies, IgG and IgA by IIF

- Basement Membrane Zone (Epithelial) Antibodies, IgG by IIF
- Basement Membrane Zone (Epithelial) Antibodies, IgA by IIF
- Cell Surface (Epithelial) Antibodies, IgG by IIF
- Pemphigus Antibodies, IgA by IIF

0092283 Pemphigoid Gestationis, Complement-Fixing Basement Membrane Antibodies (Herpes Gestationis Factor)

- Complement-Fixing Basement Membrane Zone Antibodies
- Bullous Pemphigoid (BP180) Antibody, IgG by ELISA
- Basement Membrane Zone (Epithelial) Antibodies, IgG by IIF

3016534 Paraneoplastic Pemphigus (Paraneoplastic Autoimmune Multiorgan Syndrome) Expanded Antibody Panel by IIF with ELISA

- Paraneoplastic Pemphigus (Paraneoplastic Autoimmune Multiorgan Syndrome) Screening Antibodies by IIF
- Envoplakin Antibody, IgG by ELISA

SEPARATE COMPONENTS AND DISEASE-SPECIFIC TESTS

(Useful for monitoring disease activity and/or to supplement other testing)

0092056 **Basement Membrane Zone (Epithelial) Antibodies, IgG by IIF**

0092057 **Basement Membrane Zone (Epithelial) Antibodies, IgA by IIF**

0092566 **Bullous Pemphigoid (BP180 and BP230) Antibodies, IgG by ELISA**

2010905 **Collagen Type VII Antibody, IgG by ELISA**

3020664 **Laminin 322 and p200 antibodies, IgG by IIF**

0090266 **Cell Surface (Epithelial) Antibodies, IgG by IIF**

0090649 **Desmoglein 1 and Desmoglein 3 (Pemphigus) Antibodies, IgG by ELISA**

0092106 **Pemphigus Antibodies, IgA by IIF**

0092107 **Paraneoplastic Pemphigus (Paraneoplastic Autoimmune Multiorgan Syndrome) Screening Antibodies by IIF***

3016533 **Envoplakin Antibody, IgG by ELISA**

2010902 **Epidermal Transglutaminase (eTG/TG3) Antibody, IgA by ELISA**

* Expanded Panel includes IgG envoplakin antibodies; IgG plus IgA paraneoplastic pemphigus antibody testing available upon request.

For questions, contact the UUHSC Immunodermatology Laboratory at 801-581-7139.
